

## IODINE RECYCLING

BY GE HEALTHCARE

### A value-added solution

A service for  
collection and  
return of  
GE Healthcare  
iodine-based  
contrast media  
leftovers

# Instructions

## Collect and return

### 1: ORDER

Order the 3L container via web ordering:  
<https://ci.gehealthcare.com/>  
Material code: 1187935

### 2: COLLECT

Collect only UNCONTAMINATED GE Healthcare  
iodine-based contrast media leftovers and  
dispose it in the container.  
DO NOT dispose vials/syringes!

### 3: CLEAN

Clean the opening with water to make sure  
no liquid is left behind which obstructs  
proper closing of the lid

### 4: CLOSE

Close the container by turning the lid  
a quarter turn in a clockwise direction  
until you cannot rotate it further

### 5: INVERT

Invert the container to make sure  
it is properly closed and there is no leakage

### 6: SEAL

Seal the container shut with  
the provided red seal

### 7: ARRANGE RETURN

Arrange collection of the full container via  
web ordering: <https://ci.gehealthcare.com/>  
Material code: 1188947

### 8: PREPARE RETURN

Prepare the box for return by printing  
and affixing the label that is emailed to you
