

INNOVATION

IN SUSTAINABLE STROKE CARE

COMPETITION 2021

BASP are launching a competition to champion innovative ideas that can contribute to the development of **greener, more sustainable stroke care**.

The competition is open to all junior doctors (foundation year doctors, GP trainees, clinical fellows, higher specialty trainees) and allied health professionals. You do not need to be a BASP member to apply.

The winner will receive a funded place to attend the **Centre for Sustainable Healthcare's Sustainable Quality Improvement (SusQI) course** and applications that lead to completed projects will be encouraged to submit abstracts for presentation at the **UK Stroke Forum 2022**.

For more information and application form please visit the BASP website or click on the links below.
