We are looking for inspiring examples of sustainable healthcare to showcase and discuss at a major European conference on Sustainable Healthcare in September 17th-19th. Whether you are a researcher, practising healthcare professional or work in healthcare infrastructure, please do submit your case study to us.

Please see website above for details and circulate this information to anyone you think might be interested in showcasing their case studies in the form of a poster at the conference.

- **Present your poster at CleanMed Europe 2013** Inspire and share your knowledge with other leaders in sustainable healthcare.
- **Take this opportunity to present and discuss your ideas** Authors of accepted posters will have an opportunity to present their work in dedicated sessions each day of the conference.
- **Publish your poster online** All selected posters will be published on the CleanMed website.
- **Enter the competition for Poster Awards** The scientific selection committee will choose the five best posters for CleanMed Europe 2013 Poster Awards

1. Guidelines for Poster submission:

- Submissions are encouraged from a variety of sectors, from academic research to industry solutions. More than one submission may be made.
- Authors must first submit a summary of their case studies. The deadline for summary submission is 31st May 2013. The text can be submitted in Word format (max. 500 words).
- The scientific selection committee will carefully review submitted case studies. The selection will be based on innovation, impacts, ideas, and transferability.
- The selection results will be communicated to the authors in June. Accepted authors are expected to submit their poster by mid-July.
- Posters will be presented in a single A1 sized sheet, and will be exhibited in the plenary room during the conference. Also, they will be electronically published on the CleanMed Europe 2013 website.
- Authors will have an opportunity to present posters to the audience each day.

2. Calendar:

- Deadline for submission of case study summary: 31 May, 2013
- Final selection by the scientific selection committee: 15 June, 2013
- Deadline for poster submission: 15 July, 2013

Please note that the deadline for Early Bird registration is 31 May.
